COLLECTION AND ASSIGNMENT LAWS, &c.

(Compiled by Beatty, Blackstock, Nesbitt Chadwick & Ridwell, Toronto, Ontario.)

Actions.—All actions are brought in the High Court of Justice, the Exchequer Court, County Courts or the Division Courts.

Division Courts.—There are not less than three or more than twelve in each county; one, at least, being in each city or county town. Each court has frequent sittings.

Jurisdiction of Division Courts.—(1) All personal actions where the amount claimed does not exceed the sum of \$50; (2) all claims and demands for money on account of breach of contract or covenant or money demand, whether payable in money or otherwise, where the amount of the claim claimed does not exceed \$100; (3) all claims for the recovery of a debt or money demand, the amount or balance of which does not exceed \$200, and the amount or original amount of the claim is ascertained by the signature of the defendant or of the person whom, as executor or administrator, the defendant represents. (R. S. O., 1897, Cap. 60.) There is no jurisdiction where the title is lands and certain actions of tort are involved.

County Courts.—There is a County Court in each county which is a court of record, and speaking generally has jurisdiction: (1) in all personal actions where the amount claimed does not exceed the sum of \$200; (2) in all cases relating to debt, covenant and contract to \$500 where the amount is liquidated or ascertained by the act of the parties or by the signature of the defendant. This court has no jurisdiction in regard to titles to land and certain personal actions such as slander, &c. (See R. S. O., 1897, Cap. 55.)

High Court.—The High Court of Justice is the Superior Court of the Province of Ontario, the jurisdiction being practically unlimited.

The Exchequer Court.—The Exchequer Court has jurisdiction in all cases in which it is sought to enforce any law of Canada relating to the revenue, and generally speaking, in all suits of a civil nature in which the Crown is the plaintiff or the defendant is concerned. It is frequently resorted to in copy right and patent cases, as the judgment of the Exchequer Court is final, there is an appeal from the decision of the Exchequer Court to the Supreme Court of Canada.

Appeals.—There is a right to appeal to a divisional court of the High Court of Justice or to the Court of Appeal, as the case may be, from practically every judgment of a court of first instance, except a judgment in a division court involving less than \$100 exclusive of costs.

Heirs.—Aliens may take, hold and dispose of real and personal property as freely as natural born subjects. Naturalization is easily obtained.

Arrest and Imprisonment for Debt.—Imprisonment for debt is not allowed in Ontario, but in certain cases a creditor of himself or other person shows to the satisfaction of a judge that he has a cause of action

to the amount of \$100 and upwards, and that there is reasonable and probable cause to believe that the debtor is unable to pay, and is apprehended, about to quit Ontario with intent to defraud his creditors, the judge may grant an order for the arrest of the debtor, who thereupon may be arrested and confined in close custody till he puts in special bail, for such sum as shall be named by the judge in his order. (See R. S. O., 1897, Cap. 80, also Ontario Judicature Act, rule 1021 *et seq.*) Under the criminal code every one is guilty of an indictable offence and liable to a fine of \$500, and to one year's imprisonment who: (a) with intent to defraud his creditors or any of them (1) makes or causes to be made any gift, conveyance, assignment, sale, transfer or delivery of his property; (2) removes, conceals or disposes of any of his property; or (b) with the intent that anyone shall so defraud his creditors or any one of them, receives any such property. Also everyone is guilty of an indictable offence and liable to ten years imprisonment, who, with intent to defraud his creditors or any of them, destroys, alters, mutilates or falsifies any of his books, papers, writings or securities, or makes, or is privy to the making of any false or fraudulent entry in any book of account or other document. (See Criminal Code of Canada, 1892, Sec. 368 and 369.) Promoters, directors or managers of public companies or bodies corporate who make, publish or circulate, or concur in the making or publishing of any prospectus, statement or account which they know to be false in any material part, with the intent to induce persons to become shareholders or to deceive the members or shareholders, are guilty of an indictable offence and liable to seven years imprisonment. They are also civilly responsible to the parties who may have purchased stock on the faith of such statements, &c. (R. S. O., 1897, Cap. 216.) (See Criminal Code of Canada, 1892, Sec. 364 and 365.) The Criminal Code also contains stringent provisions for the punishment of clerks or servants, who are guilty of embezzlement, or of receiving falsely books, documents or valuable securities belonging to their employers. There are also provisions for the punishment of persons for the concealment of persons for such offences as the concealing of deeds or incumbrances, the false registration of titles to lands, fraudulent sales and hypothecations, the giving of false warehouse receipts, the wilfully parting by warehousemen with goods or property covered by warehouse receipts, and other matters having special relation to trade and commerce.

Assignments.—There is no insolvency law in force in the Dominion of Canada, and no means is provided by law, by which a debtor is enabled to execute an assignment for the benefit of creditors. A debtor may, however, make a voluntary assignment of his property to trustees for the paying ratably and proportionately and without preference or priority of all creditors of the debtor, or to trustees for the payment of the benefit of creditors are made: (1) to the sheriff of the county in which the debtor

resides or carries on business; (2) or with the consent of a majority of the creditors having claims for \$100 and upwards, to a person resident in Ontario other than the sheriff. In case an assignment is made to a person other than the sheriff, the written or the prescribed consent of creditors, such assignment shall be void as against a subsequent assignment made in conformity with the Act. An assignment for the general benefit of creditors takes precedence of all judgments and of all executions not completely executed, and preference by insolvent persons" (R. S. O., 1897, Cap. 147) makes full provision for the protection of creditors' claims, meetings of creditors, valuing of securities, &c. At any meeting of creditors all questions discussed at the meeting shall be decided by a majority of votes of the creditors present in person or by proxy authorized to write, and the votes of creditors shall be circulated as follows: "For every claim of or over \$100 and not exceeding \$200, one vote; for every claim of or over \$200 and not exceeding \$500, two votes; for every claim of or over \$500 and not exceeding \$1,000, three votes; for every additional \$1,000, or fraction thereof, one vote. Every creditor in his proof of claim shall state whether he holds any security for his claim or any part thereof, and if such security is on the estate of the debtor or on the estate of a third party for whom such debtor is only secondarily liable, he shall also state the same in the manner mentioned in the Act. The assignor or any of his clerks may be examined by the court as to any disposition made of property, etc., prior to the assignment. Claims must be proved by affidavit and vouchers must be furnished. A creditor holding a claim not covered by a writ and vote, interest is to be deducted in fixing the amount of such claim. The law of set-off applies to claims against the estate. Employees are paid three months' wages in priority to other claims. A landlord has a preferential lien for one year's rent on the premises." **Attachments.**—Attachments may issue in the case of absconding debtors who leave Ontario, or in any case where the debtor is not found, and who are possessed, to their own use and benefit of real or personal property, credits or other rights, or any part of the same, by the plaintiff. The full practice is set out in R. S. O., 1897, Cap. 109, also Ontario Judicature Act, Rule 1078 *et seq.* All creditors who place attachments in the sheriff's hands within six months from the date of the first writ share *pro rata* with the attaching creditor. In the Division Court all creditors of the same class with the plaintiff share *pro rata*. If within one month after the issue of the first attachment they give notice of their claims to the sheriff of the Division Court, out of which the first attachment issued, or in which it is made returnable.

Bills of Exchange and Promissory Notes.—Demand notes and bills are payable without delay, and a grace of three days, three notes and bills three days' grace are allowed. If the third day is a Sunday or other legal

holiday the note or bill is payable on the next juridical day. The legal holidays are Sunday, New Year's Day, Good Friday, Easter Monday, Christmas Eve, the birthday of the day fixed for the celebration of the birthday of the reigning sovereign, Dominion Day (1st July) or that day being Sunday (2nd or 24 July) as day appointed by proclamation for a public holiday, or for a general fast or a general thanksgiving throughout Canada, and the day next following New Year's Day and Christmas Day when those days respectively fall on Sunday. The acknowledgment of a bill or note must be made and be signed by the drawee. The mere signature of the drawee without additional words is sufficient. 163 *Statutes of Canada for 1890.* Interest does not commence to run until after maturity unless bill or note is expressed to be payable with interest. If the note provides for payment of interest from its date at a rate exceeding legal rate (8 per cent.), "until paid," such words are not sufficient to entitle the holder to interest beyond legal rate after maturity of note. In order to entitle a holder to interest at the rate stipulated for, more express words would have to be inserted, as the law presumes payment at maturity.

Chattel Mortgage—Bill of Sale.—All mortgages or conveyances of personal property are void as against creditors and subsequent purchasers in good faith for valuable consideration, if not accompanied by an immediate delivery and followed by actual and exclusive possession of the goods mortgaged or sold, unless registered in the office of the clerk of the county court within five days from the date thereof, together with an affidavit of such execution by a subscribing witness, and an affidavit of the mortgagee or purchaser, or his agent, as to the bona fides of the mortgage or bill of sale. Within thirty days next preceding the term of one year from the filing of the mortgage a statement of the mortgagee's interest in the property and showing the amount still due for principal and interest on all payments made must be filed with an affidavit of the mortgagee that such statement is true and that the mortgage has not been kept on foot for any fraudulent purpose. If the mortgage is not so filed, the mortgage must be filed in the clerk's office or the mortgage will be void as against creditors and subsequent purchasers or mortgagees on good faith. A similar statement must also be filed yearly. An agent may be authorized generally to take and renew all or any mortgages. It has been held that the committee of the privy council that warehouse receipts taken by a bank pursuant to the provisions of the *Bankers' and Merchants' Receipts Act, 1890, Cap. 31*, need not be registered. It would therefore be advisable in taking a chattel mortgage to make specific inquiries of the mortgagor as to the existence of warehouse receipts or conditional sale notes. In the event of false answers being given to such inquiries, the mortgagor would bring himself within the provisions of the criminal code, section 375.

Conditional Sales.—Receipt notes, hire receipts, etc., in the case of manufactured goods or chattels, where the possession of the chattel passes to the vendee, and the goods are acquired by bailee until payment of purchase money or some stipulated part thereof, are not void as against subsequent purchasers or mortgagees without notice when name and address of manufacturer, bailor or vendor is plainly attached and the receipt is in his possession is given. (*R. S. O., 1897, Cap. 148, s. 1*) The above does not apply to household furniture, but it does apply to other municipal instruments are not included in the term "household furniture." It also does not apply when a receipt note is given or hire receipt is filed with the clerk of the County Court within ten days from its execution. A manufacturer, bailor or vendor is to leave a copy of the receipt note or hire receipt with the bailee at the time of its execution or within twenty days thereafter. In an agreement for the sale of merchandise to be resold for the purpose of re-sale in the course of business in which possession passes to the buyer but not the absolute title, the consideration is satisfied, any such provision as to ownership is void as against creditors or purchasers unless the receipt note is in writing and such writing is filed within five days after the delivery of the goods. Under an agreement, though signed and filed, does not affect purchaser from the trader in the usual course of his business (*R. S. O., 1897, Cap. 148, s. 41, s. 8, 4*). The above Act is not intended to affect the case of manu-

factured goods or chattels provided for by the Act respecting conditional sales of chattels. A manufacturer, bailor or vendor of chattels under the Act cannot be defeated in his right to the goods or chattels within the time of the bailee or vendee annexing a chattel to reality so as in all other respects to make the chattel part of the realty, if that intention has been shown to treat an article as a chattel, a bailee cannot by annexing such chattel alter the character of the goods. Generally a sale of fixtures is a sale of chattels, even fixtures such as a vendor must have known must be part of the building, and the character of chattel character in favor of vendor who retained right of property in the fixtures. See also *Chattel Mortgages and Bills of Sale.*

Executions.—Execution may be issued against the goods and lands of the debtor as soon as judgment is recovered except in Division Court cases where judgment is recovered after the defence entered, in which case the defendant has 15 days in which to pay. Writ of execution remains in force for a period of three years, unless added in the meantime or withdrawn by the party at whose instance they were issued. All executions in the sheriff's office are subject to the provisions of the *Relief Act*, if a debtor permits an execution under which a seizure has been made by the sheriff to remain unsatisfied for more than two days after the seizure, or until within two days of the time fixed for sale, or allow an execution to be returned to the sheriff for more than nine months after it is placed in the sheriff's hands, creditors in respect of other claims have the right to request leave of the County Court and obtain certificates entitling them to share in whatever is made under the executions of creditors in the sheriff's hands.

In order to entitle creditors to share in any moneys realized by the sheriff, their executions or certificates must be lodged with the sheriff within one month from the date of the levy by the sheriff. For full practice see *R. S. O., 1897, Cap. 78*. Stocks, moneys, securities, and other interests in property, such as, &c., may be sold under the execution *R. S. O., 1897, Cap. 77*.

Exemptions.—The exemptions from execution in making general orders for the bedding in ordinary use by the debtor and his family, necessary wearing apparel, and a list of certain necessaries need not be sold, or, if living, not to exceed in value the sum of \$100; (2) necessary provender for thirty head of cattle or value the sum of \$100; (3) a cow, six sheep, four hogs and twelve hens, in all not to exceed the value of \$75; (4) tools to implement ordinary occupation of the debtor's occupation, the value of \$100, or the debtor may elect to receive the proceeds of the sale of such tools, &c., up to \$100. (5) fifteen hives of bees. The debtor may select the several chattels exempt from seizure. In the case of 2, 3, 4 and 5, the exemption does not apply when the debt is contracted for the identical chattels. (*See R. S. O., 1897, Cap. 77*). Under the *Free Grants and Homestead Act*, the debtor is exempt from liability for any debt incurred before the issue of the patent, and for twenty years after the date of the issue of the patent, if the land itself is mortgaged, or pledged, or for the payment of taxes. (*See R. S. O., 1897, Cap. 78*).

Foreign Corporations.—Except in the case of insurance corporations which cannot do business in Ontario unless registered here under the *Insurance Companies Act*, the provisions prohibiting the making of contracts or the bringing of actions by foreign corporations in Ontario do not apply. It is held that a foreign corporation can maintain an action here for a debt due to it by a person in Ontario. The provisions do not apply whether made in Ontario through an agent of the corporation or in the domicile of the corporation. The provisions of the contract law of the corporation could only apply if the law of the country in which it is incorporated. Foreign corporations may be sued in Ontario under circumstances corresponding to those under which they may sue. Foreign corporations like foreign individuals, may (so far as Ontario law is concerned) hold corporate powers) hold property in Ontario.

Holidays.—See Bills of Exchange and Promissory Notes.

Interest.—Six per cent. is the legal rate of interest, but as there is no law against usury parties may contract for any rate they see fit. Interest may be allowed by the court in the court upon open accounts, from the time when a demand of payment is made in writing informing the debtor that interest will be

claimed from the date of the demand. (*See Bills and Notes.*)

Judgments.—Judgments do not bind the property of debtors until a writ of execution is issued and added with the sheriff. A judgment remains in force for twenty years. A writ of execution may be issued within any time within a year after the date of judgment without leave, and after that time leave must be obtained from the Court. Judgment debtors, their clerks, employes, or other clerks or employees, or any person or persons to whom they have made a transfer of their property, and who are employed by them, are the subject of the action was incurred, may be examined as to the debtor's property.

Limitations.—An action upon bills of exchange and promissory notes; also actions for the price of goods sold and delivered, and generally all actions arising out of the breach of simple contracts must be brought within six years from the time when the right of action accrued. Actions for rent upon an indenture or demise and action upon a bond or other specialty (except on covenants contained in an indenture of mortgage) within twenty years after the cause of such actions arose. Actions upon any covenant contained in an indenture of mortgage made after the 1st of July, 1891, must be brought within ten years after the cause of such actions arose.

Married Women.—A married woman is capable of contracting in her own name, and by will or otherwise, of any real or personal property as her separate property in the same manner as a single woman, and she may, without the intervention of any trustee, woman who, while single, contracts debts or renders herself liable for tort, remains liable for such debts or torts after marriage. Her husband is also liable for them to the extent of any property he may have received through his wife, and which is liable to be paid alone or jointly with her. All contracts made by a married woman prior to 13th April, 1882, are void as against her creditors in respect of her separate estate, and unless proved not to have been made with respect to such estate, they are void as against property owned by her at the date of the contract or subsequently acquired. Every contract entered into by a married woman on or after the 13th April, 1882, is valid and enforceable by a contract entered into with respect to and to bind her separate property, whether she had in fact received or not any property at which she entered into such contract or not, and such contract binds all the separate property of the married woman, whether the contract, or subsequently acquired, and is also enforceable by process of law against the husband, and the wife, or either of them, or be entitled to while discovered, and in respect to any contracts made since such date, it is not necessary for the plaintiff in the proceeding to prove that the married woman has or had the property. A married woman has the same remedies for protection of her separate property as are possessed by a *ferre sole*. She may in certain cases, e. g. if deserted by her husband, obtain an order for the protection of her separate property for her children. She is exempt from the provisions of the acts respecting arrests for debts. (*R. S. O., 1897, Cap. 148, s. 1*). A married woman is entitled to dower out of all lands of which her husband was seized in fee simple (otherwise than in trust) at the time of his death, and of lands to which he died beneficially entitled, for an interest (legal or equitable) equal to a share of inheritance in possession (other than an estate in joint tenancy). The above does not apply to lands in a wholly unimproved state which have been conveyed by the husband during his life, nor, of course, to lands conveyed by the husband in which the wife has barred her dower. Even under the above provisions, a married woman may join to bar dower in case of a sale for value or mortgage, and she may also by deed, release her dower in lands which have been previously conveyed. (*R. S. O., 1897, Cap. 143, 144 and 145*).

Mechanics' Liens.—A mechanic, builder, mason, painter, or other person doing work upon or furnishing material to be used in erecting, furnishing, etc., any building or mine or other works, or doing any work on a lien upon the building or mine for the value of the work done and materials, etc., furnished, provided that the person doing the work or quest or with the consent of the owner or some one having an interest in the property. The lien is not affected by the death of the person at whose instance or with whose consent the work was done or the materials, etc., were furnished. A person, however, shall his inter-

COLLECTION AND ASSIGNMENT LAWS, &c.

est, who procures work to be done or materials to be furnished, renders his interest subject to the lien, but cannot bind the interest of any other person in the property unless the circumstances are such as to show that the work done was with the "privity" (not merely the knowledge) of such other person. Any person except a workman, servant, laborer or mechanic whose wages do not exceed \$3 per day, may waive his right to a lien by express written agreement. A mechanic, laborer or person performing labor for wages upon the construction, alteration, etc., of the building or in connection with placing of machinery, etc., in any building, erection or mine, has a priority over other liens for such wages not exceeding thirty days wages. All persons employed by or furnishing materials to a person entitled to a lien, may, provided their work was done or their materials furnished in respect of the subject of such lien, give notice of their claim to the owner within thirty days and then acquire a charge on the money payable to the lien holder by the owner. The person primarily liable upon any contract by which a lien may arise for work done or material supplied must retain for a period of thirty days after a completion of the contract, twenty per cent. of the value of the work, services and materials actually done and furnished. Provided where a contract exceeds fifteen thousand dollars, the amount to be retained shall be fifteen per cent. instead of twenty. Liens must be registered within thirty days after the completion of the work, or the supplying or placing of the materials, etc., or within thirty days after the last day's labor for which the wages are payable. The lien may, however, be registered before the completion of the work, and the safer course is to register the lien at once, as in case the owner should dispose of the property to a purchaser for value without notice, the lien holder would not be in a position to enforce his lien as against such purchaser. A lien not registered within thirty days ceases to exist, unless proceedings are taken before that time to enforce it, and the certificate of such proceedings is registered. Although the lien has been duly registered it shall cease to exist after the expiration of ninety days after the work has been completed or materials or machinery fur-

nished or wages earned or the expiration of the period of credit (where such period is mentioned in the claim of lien filed) unless in the meantime proceedings are instituted to realize the claim and a certificate thereot registered. Registration has no effect after six months unless renewed or unless proceedings are taken in the mean time to enforce the lien. The full practice is set out in the Statutes and there are provisions by which lien holders obtain the benefit of any proceedings instituted by other lien holders of the same class. (R. S. O., 1897, Cap. 155.)

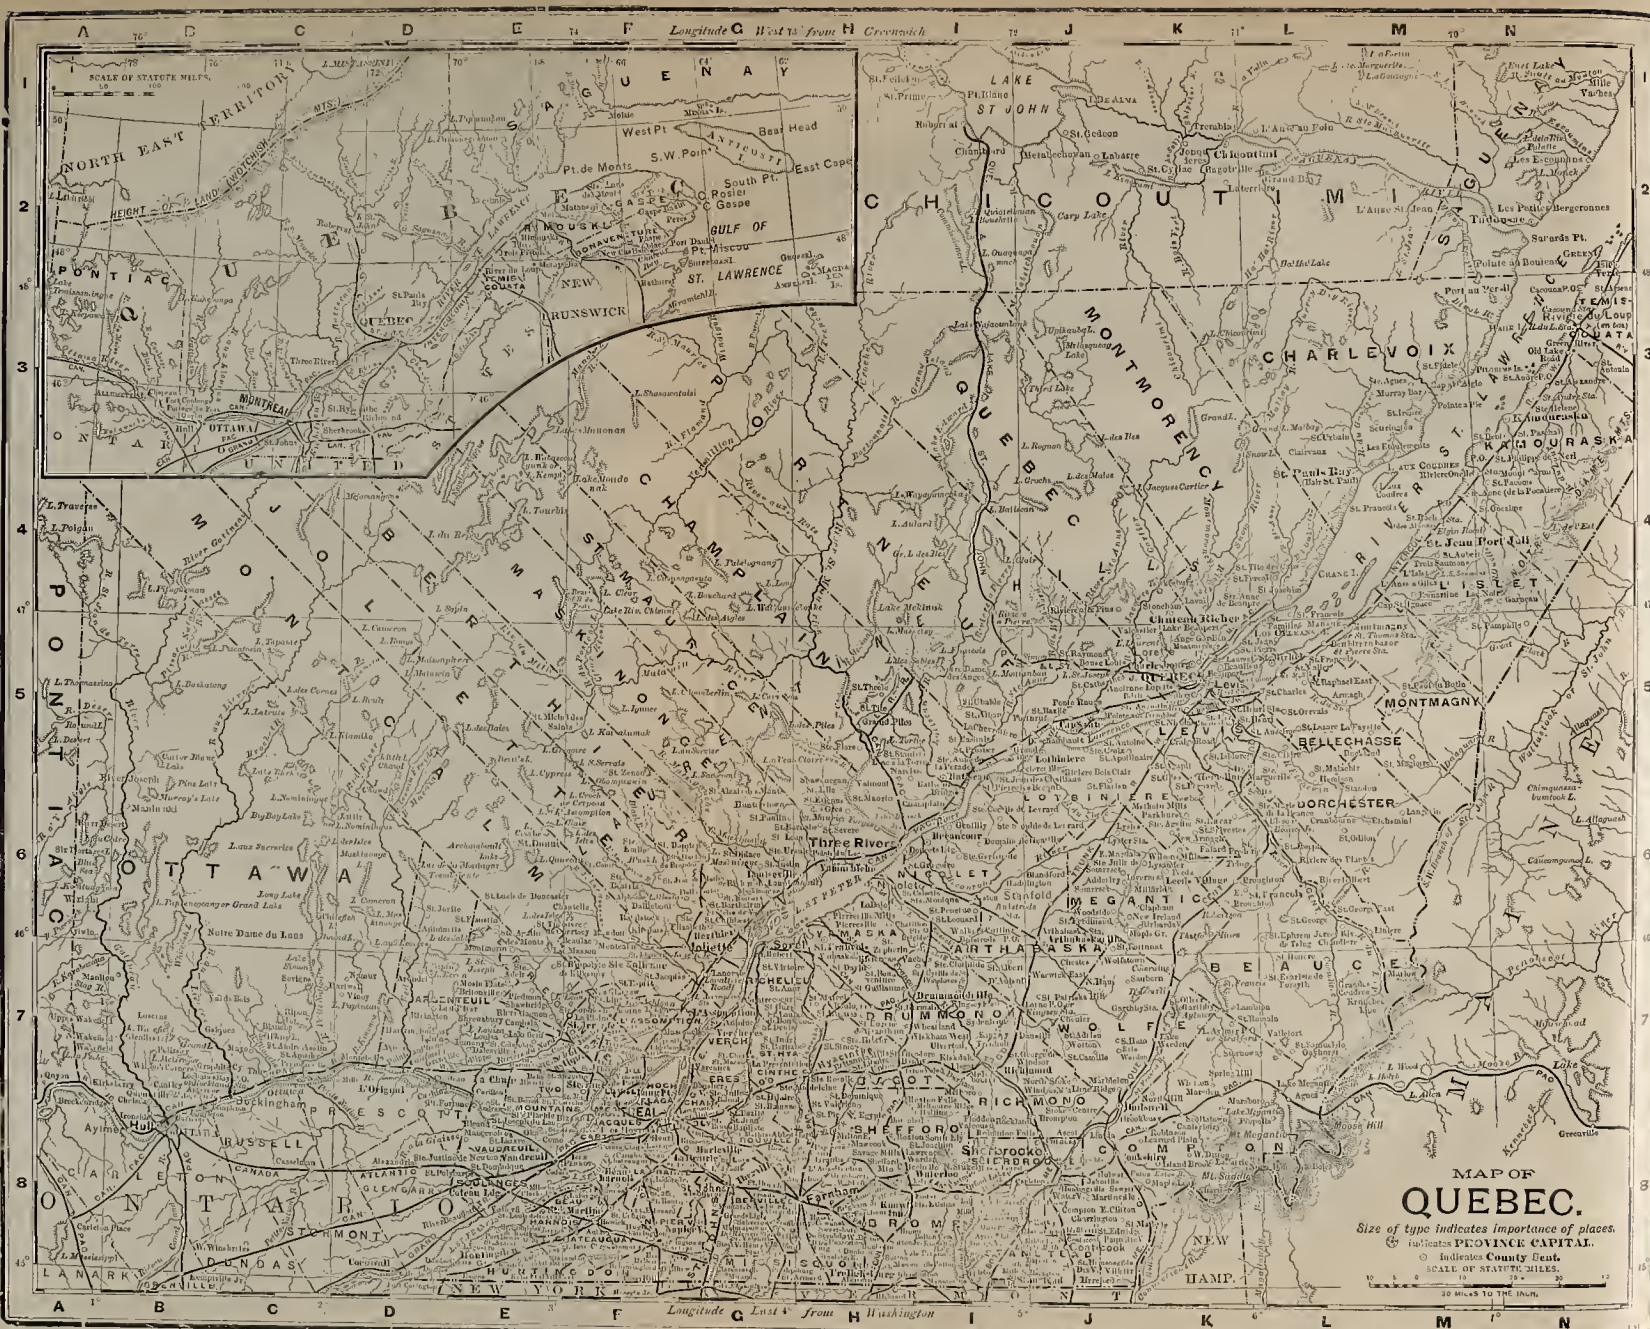

Partnerships.—All persons associated in partnership for trading, manufacturing or mining purposes are required to register within six months after the formation of the partnership in the registration division in which they carry on business, a declaration setting forth their names and addresses and the firm name, &c. (See form given by the act.) A similar declaration must be registered on a change in the partnership, and a declaration of any dissolution of partnership must also be registered. Allegations in the declaration are not controvertible as against any person by any person who has signed same. Persons signing the declaration are to be deemed partners until a new declaration is filed. Every person carrying on business under a firm name or in a name other than his own is also required to file a declaration setting forth this fact. Penalties are provided for the non-compliance with the statute. An employer may by agreement allow an employee a share in the profits of his business in lieu of or in addition to his salary, and such agreement shall not create any relation in the nature of partnership or entitle the employee to call for an account, and any statement by the employer of the net profits of any such business by which he appropriates the share payable under such agreement shall be final and conclusive between the parties. (R. S. O., 1897, Cap. 152.)

Limited Partnerships.—Two or more persons may form a limited partnership consisting of one or more general partners and one or more special partners; the latter contributing in actual cash payments a specific sum to the common stock and being liable for partnership debts only to the extent of such contribution. The general partners

alone are authorized to carry on the business, and any special partner who transacts any business on account of the partnership or acts as agent, attorney, etc., for the partnership, becomes liable as a general partner. A special partner may, however, from time to time examine into the partnership concerns and advise as to management. In case of insolvency of the firm a special partner is not allowed to claim as a creditor until the claims of all other creditors of the partnership have been satisfied. During the continuance of the partnership a special partner cannot withdraw any part of the sum contributed by him to the capital stock of the partnership. He may, however, receive annual interest on the sum contributed by him, provided the payment of such interest does not diminish the amount of capital. The partnership is formed by the recording of a certificate setting out: (1) The firm name; (2) the general nature of the business intended to be transacted; (3) the names and addresses of all the partners distinguishing general from special partners; (4) the amount of stock subscribed by each special partner; (5) the period of commencement and termination of the partnership. This certificate is to be signed by all the partners before a notary public and is to be filed in the office of the county court clerk. The continuance of a partnership beyond the time mentioned in the original certificate must also be duly certified. Every alteration made in the names of the partners, in the nature of the business, or in the capital or shares thereof, or in any other matters specified in the original certificate shall be deemed a dissolution of the partnership, and every such partnership carried on after any such alteration has been made shall be deemed a general partnership. All business is carried on in the firm name in which the names of the general partners alone appear. This Act is very strictly construed, and failure to comply with its terms renders a special partner liable as a general partner. (R. S. O., 1897, Cap. 151.)

COLLECTION AND ASSIGNMENT LAWS, &c.

Assignments.—Any creditor for \$200 and over, whose claim is unsecured, may make a demand on a debtor to make an assignment or abandonment. If debtor who has ceased his payments refuses to abandon or assign his property he may be compelled to do so by a writ of *capias*. The assignment is made to a curator appointed by the court, on advice of a meeting of creditors on the vote of the majority in number and value. The curator or trustee realizes the assets and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

Attachments.—Attachments before judgment, issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

Chattel Mortgages.—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

Commissions.—Commissions for the taking of evidence outside the Province of Quebec may issue from the Circuit Court and Superior Court.

Conditional Sales.—The courts recognize and protect contracts, whereby the thing sold remains the property of the unpaid vendor, until all instalments of the sale price have been paid. This applies to contracts in use with regard to the sale of machinery, sewing machines, pianos, and articles of this kind on time, with payments by instalments. In cases arising out of such contracts, the courts here have held that the vendor had a right on the failure of the person to whom the article was sold, to recover back his machine or article, or whatever it be, against the claims of the creditors of the purchaser.

Contracts of Married Women.—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them. A wife cannot bind herself by note or otherwise to pay her husband's debts.

Execution.—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. But where the judgment is entered for goods sold and delivered or upon promissory notes, &c., the execution may issue eight days after judgment.

Exemptions.—The exemptions from execution, supported by affidavit which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Cases tried in the ordinary way, to test these rights, takes from two to three months.

Exemptions.—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for three months; one cow, four sheep, two hogs and food therefor for thirty days; tools and implements of, or chattels ordinarily used in debtor's occupation, not to exceed \$200 in value; a homestead in certain cases.

Holidays.—Sundays, New Year's Day, Epiphany, Ash Wednesday, Good Friday, Easter Monday, Ascension, All Saints, Conception, Christmas, the Birthday of the Sovereign, and 1st of July, are legal holidays. Negotiable paper falling due on those days or on a Sunday are due only the day after and must be protested then.

Interest.—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

Judgments.—Judgments may be obtained at any time in default cases, but if the defendant appears by attorney, judgment cannot be entered between July 1st and August 31st. Judgments may be obtained where no defence is entered in eight or nine days, and in both courts one extra day must be allowed for every fifty miles that defendant lives from Montreal, over and above the first fifty miles. Special provisions relating to actions based upon commercial contracts, are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

Jurisdiction of Courts.—Circuit Court up to \$100; Superior Court, all amounts above \$100; notes and accounts are outlawed in five years.

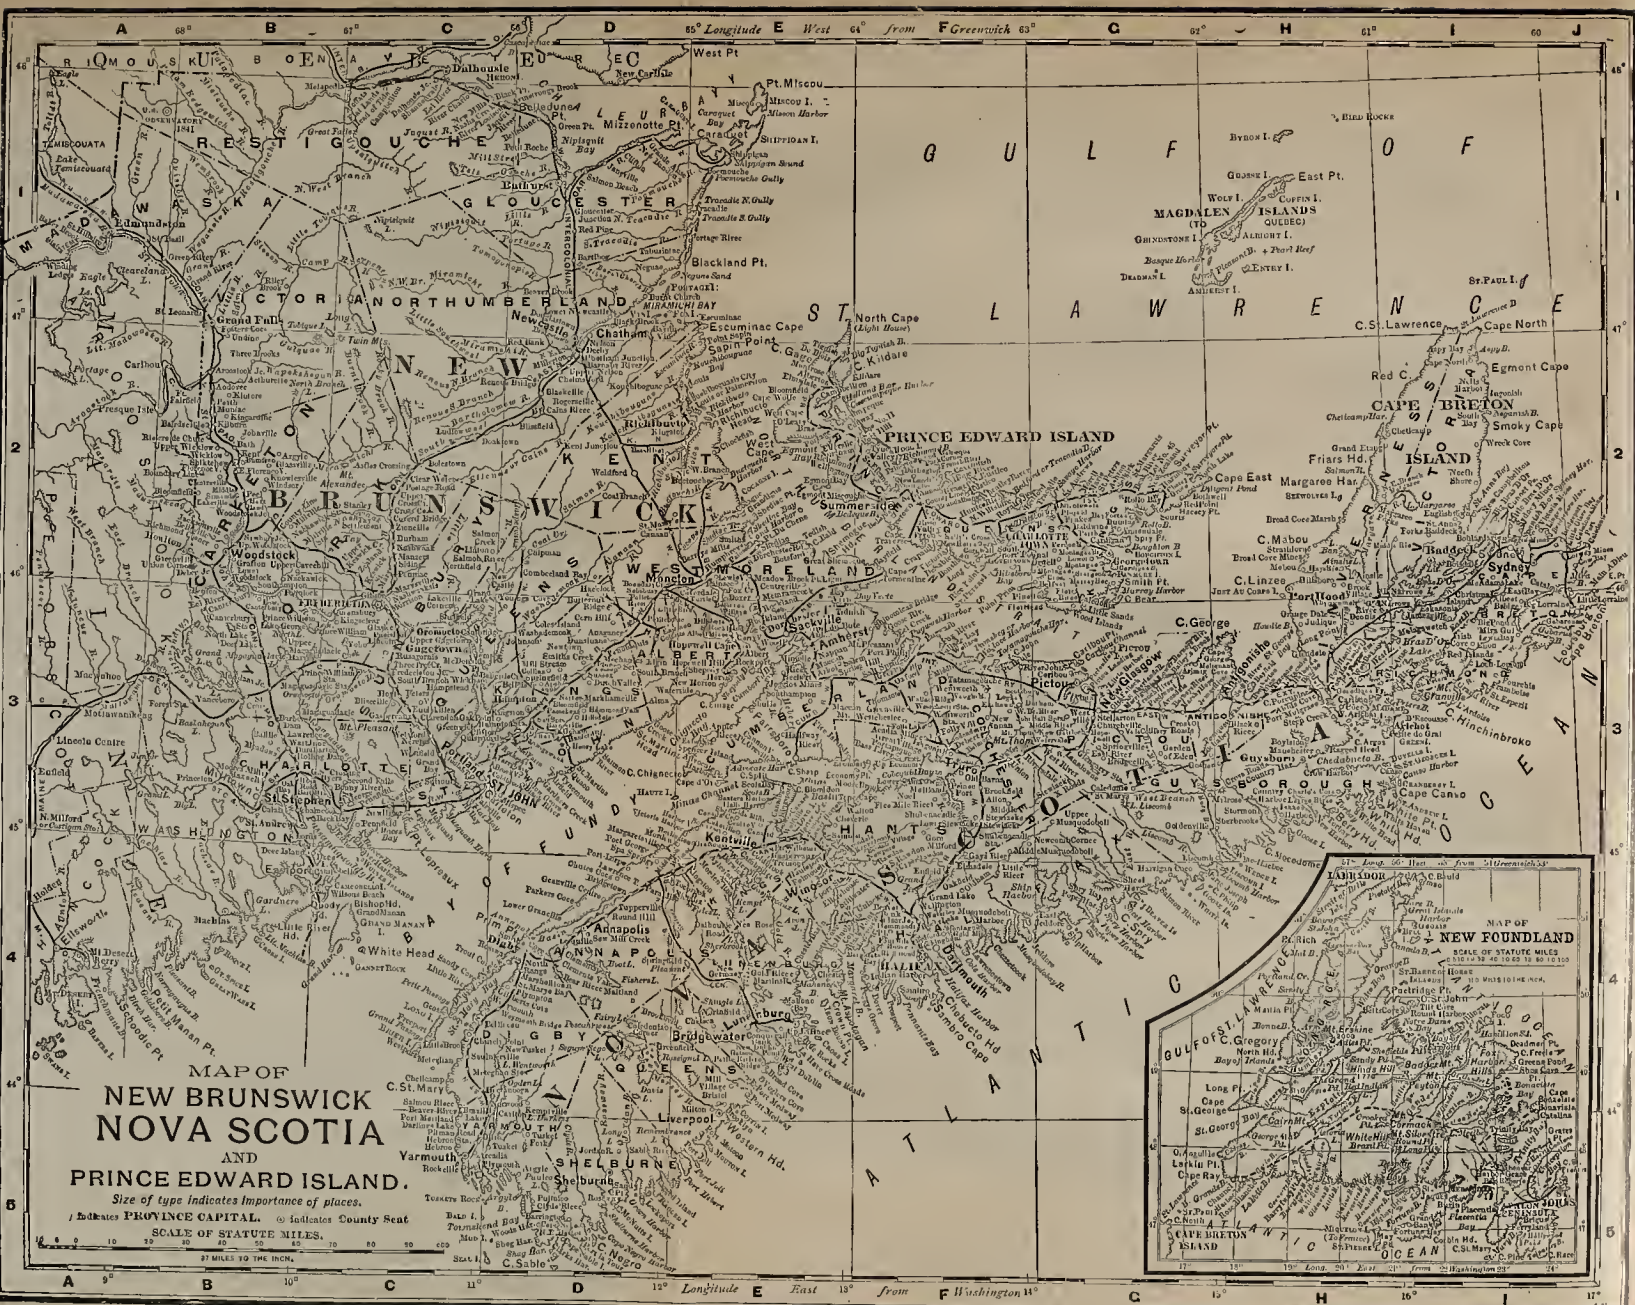

Licenses.—Commercial travelers are not required to take out a license.

Mechanics' Liens.—The only thing of this kind we have in the Province of Quebec is the builder's privilege, under which the laborer, workman, supplier of materials and builder may exercise a privilege upon the real estate property improved by their work during the whole time they are occupied at the work without registration, and with registration provided it be registered within thirty days after the completion or cessation of the work.

Verification of Accounts.—Non-verification is wanted; accounts and claims must be proved out of month of defendant or by witnesses examined in court or under compulsion if witnesses reside in States or are absent.

NEW BRUNSWICK COLLECTION AND ASSIGNMENT LAWS, &c.

Arrest.—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

Assignments.—Until the passing of the Act N. B., 58 Vic., cap. 6, a debtor could make an assignment by deed to trustees for the benefit of his creditors giving preferences at he so desired. By this Act, which was passed on the 5th of March, 1885, and came into force at that date, no person being at the time insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and carefully prepared synopsis of the same may be found.

Attachments.—The property of an absconding, absent or concealed debtor upon applica-

tion of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See Garnishees.)

Chattel Mortgage or Bills of Sale.—They require to be filed within 30 days of the date of execution, otherwise are void as against third parties, and must be renewed every 12 months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account; and in case of failure to file such statement and affidavit within the time aforesaid any creditor of the mortgagor may by a written notice served upon such mortgagee require him to file such statement and affidavit, and if same are not filed within thirty days after service of such notice then such mortgage shall cease to be valid as against any execution against the goods and chattels of the mortgagor issued at the suit of such creditor. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages of vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

Commissions.—Commissions to take evidence are issued from courts of record, viz: the Supreme and County courts.

Conditional Sales of Chattels.—By the New Brunswick Statute 62 Victoria, Cap. xli, receipt notes, hire receipts, and orders for chattels given by bailees of chattels, where the condition of the bailment is such that the possession of the chattel passes without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money or some stipulated part thereof, are only valid as against subsequent purchasers or mortgagees without notice in good faith for valuable consideration in the case of manufactured goods or chattels, which at the time possession is given to the bailee have the name and address of the manufacturer, bailor or vendor of the same printed thereon or attached thereto, and no such bailment shall be valid as against such subsequent purchaser or mortgagee as aforesaid unless it is evidenced in writing signed by the bailee or his agent, and a copy of such writing filed with the registrar of deeds of the county in which the bailee or conditional purchaser resided at the time of the conditional purchase within ten days from the execution of the writing. The registrar files such writings upon payment of ten cents for every such filing.

Executions.—Issue immediately on signing final judgment in the Supreme and County courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the

COLLECTION AND ASSIGNMENT LAWS, &c.

Judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

Exemptions.—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

Garnishee.—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due exceeds \$80, may obtain an attaching order, garnishing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of \$20, exempt from garnishment.

Interest.—If no rate be mentioned six per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account, unless by agreement to that effect. Bills and notes carry interest after their maturity; judgments also carry interest at the rate of six per cent.

Judgments.—Judgments are obtained in county courts, if no defence, in thirty days, and in Supreme court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within twenty days after service upon him. If the defendant appears to a writ of summons so specially endorsed, the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debt or cause of action, and stating that in his belief there is no defence to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defence to the action on the merits, or discloses such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

Jurisdiction of Courts.—Magistrates \$20, in tort \$8; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort; supreme court \$400 and upwards.

Legal Holidays.—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day (July 1), Christmas Day, and any day appointed by proclamation for a public holiday or general thanksgiving. If any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

Limitations.—Notes and accounts are barred by statute in six years.

Married Women.—Are competent to make binding contracts on themselves or their property. By "The Married Women's Property Act" of the New Brunswick General Assembly, 1895, Chapter xlv, which act came into force on the first day of January, A. D., 1896, a married woman is capable of acquiring, holding, and disposing by will or otherwise of any real or personal property as her separate property in the same manner as if she were a *feme sole*, without the intervention of any trustee. She is also capable of entering into and rendering herself liable in respect of and to the extent of her separate property on any contract, and of suing and being sued in all respects as if she were a *feme sole*, and her husband need not be joined with her as plaintiff or defendant or be made a party to any action or other legal proceeding brought by or taken against her; and any damages or costs recovered by her in any such action or proceeding, shall be payable out of her separate property and not otherwise. Every contract entered into by a married woman, otherwise than as agent, is deemed to be a contract entered into by her in respect to and to bind her separate property, whether she is or is not in fact possessor of or entitled to any separate property at the time when she enters into such contract, and such contract binds all the separate property which she may have at that time or thereafter be possessed of or entitled to. It is, however, expressly provided that nothing contained in the act shall prejudice the husband's tenancy or right of tenancy by the curtesy in any real estate of the wife.

Mechanics' Liens.—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim

offien must be registered in the office of the registrar of deeds, and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable.

Partnerships.—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every day's neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 67.

Limited Partnerships.—Limited partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or more special partners. The special partners contribute to the common stock a specified sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of residence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not made, the partnership shall be deemed general. The business of the partnership must be conducted by the general partners under such firm name as they shall adopt, and if the name of any special partner be used as such firm name, or part of the same, with his consent and privity, and without the addition thereto of the words "special partner," he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B., 52 Vic., cap. 4.

Verification of Accounts.—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

COLLECTION AND ASSIGNMENT LAWS, &c.

Affidavits.—For use in the respective courts may be sworn before the justice entitled to preside therein respectively, and before commissioners and by justices of the peace, etc., in other cases specially provided for by statute. Commissioners residing within the Province for taking affidavits for use within the Province are appointed in all chief commercial centres.

Arrest for Debt.—Under execution on judgments was abolished by the Acts of Nova Scotia, 1894, in the Supreme Court, Probate, City, Civil, Stipendiary Magistrates, Justice, or Justices' Courts of the Province, but provision was thereby made for the examination of debtors against whom execution had issued, by commissioners who have power to commit a debtor to prison for a term not exceeding 12 months in the case of fraudulent contraction of debt, or fraudulent disposition of property and wilful and malicious, tort or breach of contract. Captives can issue on judgments for the arrest of persons about to leave the jurisdiction, and also in the first instance in the Supreme Court in amounts of \$80 and upwards, in the County Court in debt of \$20 to \$400 and in damages up to \$200, and in Magistrates' courts from \$5 to \$50.

Assignments.—Until the passing of the Act, N. S., 61 Vic., Chap. 11, a debtor could make an assignment by deed to trustees for the benefit of his creditors, and the creditors might accept of the assignment, or the debtor might do as he desired. By this Act, which came into effect July 1st, 1898, no person being at that time insolvent or embarrassed, or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and any preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and careful synopsis of the same may be found.

Attachments.—Attachments are allowable only (1) in suits against absent or absconding debtors, (2) in suits against foreign companies doing business within the Province.

Bills of Sale or Chattel Mortgages.—Are governed by the provisions of Chap. 28 of the Acts of Nova Scotia, 1895, and must be filed to make them operative against third parties, in the office of the registrar of deeds for the district where the goods are deposited, and must be accompanied by a copy of the *bona fide*, and that the matters in respect of which the bill of sale is given are fully set out therein, etc. The same applies also to chattel mortgages and bills of sale to cover future acquired property.

Claims Against Estates of Deceased Persons.—Should be proved by affidavit (which may be sworn before a justice of the peace), and presented within one year after publication of the advertisement calling for claims published in the Royal Gazette Newspaper, and a copy thereof should be filed with the registrar of probate by the executor or administrator of the estate. The limitation is arrested.

Commissioners take Testimony.—Orders to take evidence by commission can be obtained from any of our courts except those of justices of the peace.

Contracts of Married Women.—Married women are liable to the extent of their separate estate for all contracts. They are liable to antenuptial debts to the extent of their estate. Married women are not liable for separate trade or occupation with husband's consent under the provisions of the Married Women's Property Act, 1884, and the amendments contained 23 and 25 Acts of 1895, as to their property and debts arising out of or concerning such separate trade or occupation, and are considered as unmarried women for the purpose

of contract and wrongs and injuries and suing as being sued in any civil proceeding.

Deeds and Mortgages.—When executed in the Province must be witnessed by one witness at least, who, before the instrument can be recorded, must make oath that the grantor signed the same in his presence. This oath can be administered by a justice of the peace, a notary public, the registrar of deeds for the district where the deed lies, a barrister of the Supreme Court, or a judge thereof. The grantor can acknowledge the deed in person, before any of the above-named persons. Deeds and mortgages may be proved out of the Province, as well in the district where the deed lies, and lies, by the oath of a subscribing witness, to be administered by commissioner appointed to take affidavits out of the Province, by a judge of the court of record, a mayor of any city, a justice of the peace, or a notary public, who shall certify to the attestation; but, if taken by a justice of the peace, must be authenticated by a notary public. If the proof is to be made in a foreign country, any public minister, ambassador, consul or vice-consul from the Court of Great Britain may administer such oath. To make deeds, mortgages, transfers, attachments or judgments operative against lands they must be recorded in the registry of deeds for the district wherein the lands are situated, and the same must be charged for value, who should first record their claim under any such instruments. The Acts of 1895, and 1898, have been amended by the previous of Chap. 23, Acts of Nova Scotia, 1898.

Execution.—Execution can issue immediately on judgment and execution is now more widely ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court. Writ of execution is good for one year if not carried out, and it may be renewed at expiration of the year, or a new execution issued.

Exemptions.—The necessary wearing apparel, beds, bedding and bedsteads of debtor and family, stove and pipe, razor, crane and appendages, pair and iron, set cooking utensils, pair tongs, six knives, six forks, six plates, six saucers, one shovel, one table, six chairs, one milk pail, one tea pot, six spoons, one spinning wheel, one weaving loom, if in ordinary domestic use ten volumes of religious books, one water bucket, and such fishing nets as are in common use, not exceeding in value \$20, all necessary fuel, meat, and food are exempted from seizure, and enough for thirty days consumption and not exceeding in value \$40, cow, two sheep, and hay and straw, and other things for the whole and implements of or chattels ordinarily used in the debtor's occupation to the value of \$30. No real estate.

Holidays.—In all matters relating to hills of exchange the following are legal holidays: Sundays, New Year's Day, Good Friday, Easter Monday, Christmas Day and Labor Day, and any day appointed for public holiday by the Governor, or by a statute. When the last day of grace falls on a holiday, the next day shall be the last day of grace. The same law applies to presentation of bills of exchange and promissory notes.

Interest.—Interest cannot be charged on any bill, except by arrangement or an established course of dealing in which it has been paid or acknowledged by debtor.

Judgments.—Judgments may be obtained after the vacation of court when suits are defended, as well as at other times. They can be obtained ten days after service when the defendant resides in any part of the Province, but is never enforced now.

Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the court. Judgments are good for twenty years from their date.

Jurisdiction of Courts.—Supreme Court has jurisdiction downwards to \$20, in all matters of contract. County Court has jurisdiction in all matters of contract and tort where the amount claimed is less than \$20 or more than \$400 in contracts and \$200 in tort. Justices' courts have jurisdiction in all matters of contract and tort where the amount claimed is less than \$50.

Limitation of Actions.—Actions for trespass in assault, battery, wounding or imprisonment, and all actions of slander or libel, must be brought within one year. Actions in trespass to lands, assumpsit, detinue, trover, replevin, debt founded on any contract, express or implied without specification for rent and account on the case, within six years. Actions to enforce judgments or liens, mortgages chargeable on any land, or rent, or any legacy, and actions on any deed, covenant or instrument under seal, shall be brought within 20 years. Acknowledgment in writing or part payment will extend the period of limitation.

Mechanic's Lien.—Mechanics may have a lien on the property of the person for whom it is done, by agreement with the latter, but the agreement must be filed in the office of the Registrar of Deeds. If the lien is claimed by a sub-contractor, the amount claimed in respect to the lien is limited to the amount payable to the contractor. If the lien is claimed by the estate charged by the lien is a leasehold, the fee simple may also be charged with consent of the owner, and two shall notify the persons furnishing labor or materials for a contractor under written contract with the consent of the owner, and who shall notify the owner of the furnishing of the labor and materials within seven days after the furnishing of such labor and materials, have a lien. Unregistered liens cease after thirty days from the furnishing of the goods or labor unless proceedings are instituted to realize claim. Registered liens cease after ninety days from date of goods or labor last furnished, unless proceedings are taken. Claims may be sued for in Supreme and County Courts. Proceedings are begun by petition and writ of summons. In default of payment of amount claimed for property must be sold. The lien holder's right of lien passes to the legal representative of the lien holder.

Verification of Contracts.—This is unnecessary.

Wills.—Cannot be legally made by persons under 21 years of age. A married woman can make a will without her husband's consent, and it will must be in writing and signed by the testator, or by some one duly deputized in his presence to make the signature at the testator's dictation. The execution thereof must be acknowledged in the presence of two or more witnesses, who, in the presence of testator and of each other, shall subscribe the instrument as witnesses. Marriage revokes a will, except when made by virtue of a power of appointment, but others revoke by death of the testator. Estates are liable to succession which can be changed from time to time by the Legislature.

COMMERCIAL TRAVELERS' LICENSE LAWS.

COLLECTION AND ASSIGNMENT LAWS, &C.

Arrest and Imprisonment for Debt—Is not now allowed in Manitoba.

Assignments.—Any person being at the time insolvent, or on the eve of insolvency, cannot make any gift, assignment or transfer of any real or personal property to any of his creditors with intent to defraud or delay the others, and any chattel mortgage given to a creditor may be attacked within sixty days of filing, and, if attacked, will be held *prima facie* to be invalid as a preference. Assignments can be made for the general benefit of creditors.

Attachments.—A judge's order for attachment is obtainable: (1) in suits against a resident debtor when the debtor is about to abscond or conceal himself; (2) in suits against non-resident debtor when the cause of the action arises within the Province of Manitoba; (3) in any case when the debtor has or is about to fraudulently remove, transfer or secrete his property in this Province. Orders for attachment may be made against property from the date of delivery of the writ to the sheriff of the order for attachment, and all real property owned by the debtor is bound from the date of the registration of a certificate of the order for attachment.

Bills of Exchange and Promissory Notes.—These are governed by Dominion statutes as to days of grace, protest and notice. Notes do not bear interest unless expressed on the face until after maturity from which period however the legal rate six per cent. can be recovered.

Chattel Mortgages and Bills of Sale of Chattels.—When there is not an immediate and continued change of possession, chattel mortgages and bills of sale must be recorded, and the date of recording of both *videtur* to be the date in the office of the clerk of the county court district where the goods are situated, and the date of recording of both *videtur* to be the date of filing. Chattel mortgages must fall due within two years from their date, and must be renewed within thirty days before the expiration of the term. Chattel mortgages are not collectible when due, chattel mortgages are collected by a summary seizure and sale of the mortgaged goods. Growing crops cannot be mortgaged except for the price of seed and manure.

Commissions.—Commissions can issue from all courts of record including county courts.

Contracts of Married Women.—Married women may contract with respect to their separate property and are liable on contracts to the same extent of *feme sole*. They may make notes and are liable thereon.

Executions.—In the superior courts, executions against goods are directed to the sheriff and may issue immediately upon obtaining judgment. There is no priority between execution creditors, and no interest is distributed until fully paid. Realized from an execution debtor. An execution is good for two years, and may be kept in force by renewal every two years. Upon written request the sheriff is required to make a return at any time. The sheriff is not liable for execution but certificates of judgments may be registered and proceedings taken thereon to sell the debtor's lands. In county courts, execution issues in six days after judgment, and is good for one year, but may be renewed

from year to year. (1) household goods to the value of \$500; (2) necessary and ordinary clothing of the debtor and his family; (3) twelve volumes of books and all the books of the debtor; (4) the value of the crops of eleven months; (5) three oxen, horses or mules when used by the debtor in earning his living, six cows, ten sheep, ten pigs, fifty chickens, and ten ducks; (6) the value of the crops of six months; (6) necessary seed, etc.; (7) for eighty acres; (7) tools, agricultural implements and necessities used by the debtor in his trade or business; (8) the value of the crops of \$500; (8) farm homestead to the extent of 180 acres being the actual residence of the debtor, the buildings and improvements thereon, and the value of the crops of the year ending on the value of \$1,500, provided that no real or

personal property shall be exempt from seizure or sale under execution for the purchase price of the same. A debtor cannot waive his exemptions from seizure or sale under execution and any attempt to do so is liable to violate the whole agreement.

Foreign Corporations.—To entitle foreign corporations to a legal status in this Province a license must be taken out under the provisions of the Companies Act. To obtain a license a corporation must file with the Provincial Secretary a certified copy of their charter with evidence of its present existence, and the legal powers of the company, and a statement of the names of the directors, and an attorney to the company's agent in Manitoba, signed by the president and secretary, and sealed, must also be filed. This power of attorney must authorize the agent to accept service of legal proceedings instituted in Manitoba.

Interest—May be recovered on open accounts, from and after demand of payment and notice that interest will be charged if the account be not paid.

Judgments. In superior courts where no defense is entered judgment and execution can be obtained in sixteen (16) days from service of the statement of claim on a resident debtor. In contested cases from one to three months is required to obtain judgment. In county courts judgment is obtained in ten days by default or one month when defended. Judgments in both courts are good for ten years.

Jurisdiction of Courts.—The Court of Queen's Bench for Manitoba has the superior court of record. The jurisdiction is unlimited. The county courts are inferior courts of record and are presided over by different judges. There are thirty-five county court districts in the Province. The jurisdiction is limited to \$400. Magistrates and justices of the peace courts are not courts of record and are administered by the local justices. summarily. They derive their authority from specific statutes and the jurisdiction varies in each statute.

BRITISH COLUMBIA COLLECTION AND ASSIGNMENT LAWS, &c.

Actions.—May be brought by or against a firm in their firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes) is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, in default of appearance. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defence which should be tried in the ordinary way. Actions in the County Court are commenced by a summons which must be served eight clear days before the return day. County courts sit every month and have jurisdiction up to \$1,000 in all personal actions and on any action where debt or demand claimed consists of a balance not exceeding one thousand dollars, after an admitted set off of any debt or demand claimed or recoverable by the defendant from the plaintiff. It has also an equitable jurisdiction up to \$2,500. Small Debts' Court has jurisdiction in matters of simple contract up to \$100.

Appeals.—May be taken to the Full Court within three months after judgment, notice of such appeal to be served within three months after judgment, and also to be served not less than fourteen clear days before the first day appointed for the sittings of the Full Court, at which the appeal is, according to the terms of such notice, to be entered for hearing.

Arrest.—After an action has been commenced in the Supreme or County Courts for recovery of a debt, money demand, or for damages, and where the defendant is not a person by law exempt from arrest, the defendant may be arrested after affidavit of plaintiff or some other person showing that such plaintiff has a cause of action against the defendant, to the amount of \$100 and upwards, or has sustained damage to that amount, and that there is probable cause for

believing that the defendant is about to quit British Columbia. A debtor of a county court may, under a judgment summons, commit the defendant in default of payment if he has transferred his property fraudulently or does not satisfactorily account for same.

Assignments.—There are no insolvency or bankruptcy laws in force. Assignments of debts must be in writing and express notice in writing given to the debtor. Preferential assignments or conveyances giving one creditor priority, are void as against other creditors. A debtor may make a general assignment to a trustee or trustees for the benefit of creditors, ratably and proportionately. Such deed of assignment must be registered forthwith in each of the land registry offices in the Province, but shall not take effect until recorded in the office for the district where the debtor resides or has his principal place of business. Trustees shall publish notice of deed within fourteen days from execution by debtor.

Attachments.—No original attachment, except where debtor has absconded leaving property.

Chattel Mortgages.—Must be registered within twenty-one days after the making or giving thereof in the County Court Registry office for the city, county, or place within which the chattels referred to and dealt with in and by such bill of sale are situate. If not so registered it is null and void as against creditors of mortgagor. Chattel mortgages must be renewed every (5) five years.

Executions.—May issue immediately after judgment in the Supreme Court, or in the County Court, unless otherwise ordered. Lands, sold under execution against lands; now can only be sold by order of the court.

Exemptions.—Personal property of debtor to the value of \$500 is exempt from execution. No goods or personality, however, is exempt from seizure in respect to debts contracted in regard to the identical goods. The stock-in-trade of a merchant is not exempt from seizure although under \$500, and may all be sold to satisfy a judgment. Registered homesteads are exempt from execution to the value of \$2,500.

Garnishees.—A creditor may garnishee money owing to a debtor by a third party, both before and after judgment in the County Court, and after judgment only in the Supreme Court or Small Debts Court.

Interest.—Where not otherwise agreed upon, and where due by law, is six per cent. No usury law.

Judgments.—If registered, are a lien upon all lands, and interest in lands then or thereafter owned by the defendant. Registration must be renewed every two years.

Liens.—Unless there is an agreement to the contrary every contractor, sub-contractor and laborer has a lien for work and labor, limited in amount to the sum actually owing to the person entitled to the lien. Lien expires, unless registered thirty-one days after completion of work unless in meantime the lien shall be registered. And expires thirty days after registration of lien unless claimant institutes proceedings to realize lien. If lien is on mortgaged premises it is prior to mortgage, against increase of value of mortgaged premises by reason of such work or improvement, but not further, unless work is done at request of mortgagee in writing.

Limitation of Actions.—Six years for simple contracts, and twenty years for specialties.

Married Women.—Have the same powers in respect to their separate property, or earnings, or rents, as a *feme sole* .

Partnership, General.—Registration.—All general partnerships must be registered within three months next after formation of firm.

Sales, Conditional, of Chattels.—All receipt notes or hire receipts or order for chattels, when the condition of the bailment is such that the possession of chattels would pass without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money, or some stipulated part thereof, are void as against subsequent purchasers or mortgagees, unless registered in the County Court Registry where goods are situate within twenty-one days after the bailment or delivery of the goods, or the first portion thereof, to the bailee or conditional purchaser.
